US-AW "AIRWEIGH" PLANE SCALE

USA Measurements US-AW "Air Weigh" airplane, aircraft, and jet scale. To be used for weighing all types of airplanes. The US-AW is available in our 24"x16" platform scale. With the built in ramped ends and 2"H. Getting on and off the pads is simple and easy to do. Our "Air Weigh" comes in a 3 pads set with digital indicator. The digital display can read individual weights and total gross weight.

US-M2416
