MR. RELIABLE FLOOR SCALE

Mr. Reliable heavy duty floor scale is constructed with a diamond plated steel deck. The scale is constructed with six channel steel bracing, a large robust steel plate, and four heavy duty NTEP load cells. Each load cell is built to shock absorbing impacts, has ball swivel feet for vibrations, and a 200% overload protection. The scale is backed by our 5 Year Manufacturer warranty. Each model is factory calibrated for accuracy, including 18′ steel braided cable, and digital digital. The US-6011 indicator powers up to (4) 350 ohm load cells, has a built in bright LCD display or LED backlight, and a rechargeable battery that lasts up to 80 hours.

US-6011-LCD/LED INDICATOR FEATURES

- 1″ Digits with LED or LCD with backlight
- Units LED: LB or KG
