US-ESB40+ WEIGH BAR SCALE WITH US-1011 INDICATOR

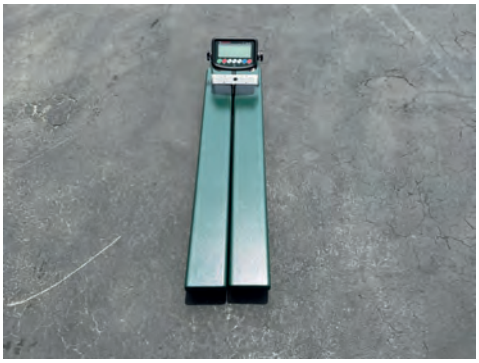
USA Measurements weigh bar scales are built like no other company. Most companies are using thin steel, small indicator, and have only 1 lb accuracy. USA Measurements has been in the weighing industry for over 10 years specializing in all scales products. Our weigh bar scales are designed with robust thick steel, 200% overload protection, large easy to read LCD indicator (US-1011), accuracy to 0.2 lb, and a 5 year warranty. All of our products come with free lifetime support.

APPLICATIONS

- Mounted Under Squeeze Chutes
- Attach a Platform to the Top of the Scale
- Weighing: pigs, goats, sheep, steers, cows, cattle
- Weighing Pallets, Containers, Drums, & Odd Size Items
- Great for Portable Applications & Weighing on the go

OPTIONAL ACCESSORIES:


- Thermal Printer
- Certificate of Calibration
