US-BLW "BIG LIFT WIRELESS" HEAVY DUTY CRANE SCALE

USA Measurements "Big Lift Wireless" crane scale with handheld display. Great for heavy duty applications. Our bright LCD handheld display makes weighing even easier with our US-WFX display. The built in rechargeable battery last up to 80 hours. Our easy to use scale comes in a 10,000 lb capacity with a 2 lb accuracy. The scale is built with a 200% overload protection, 1/5" thick aluminum steel housing, and impact resistant load cell.

US-BLW

MODEL NUMBER	CAPACITY
US-BLW6K	6,000 lb x 1 lb
US-BLW10K	10,000 lb x 2 lb
US-BLW20K	20,000 lb x 5 lb
US-BLW40K	40,000 lb x 10 lb

The US-BLW crane scale makes weighing simple, easy, and quick with our US-WFX handheld display. This device allows users to see the digital weight at the users hand from up to 300'. Great for applications requiring high overhead lifting, use with a crane, recycling, shipping, containers, forestry applications and much more. The USA Measurements US-BLW10K series operates on rechargeable battery. The US-WFX wireless remote operates on batteries, comes calibrated for accuracy, and has a 2 year warranty.
