US-LC "THE LIFTER" CRANE SCALE

USA Measurements "The Lifter" US-LC20K-LCD with US-180 wireless handheld remote crane scale. Built with a robust steel enclosure for heavy duty use. Great for applications requiring overhead lifting, use with a crane, recycling, shipping, containers and much more. The USA Measurements US-LC20K-LCD series crane scale comes with a US-180 wireless remote, calibrated for accuracy, and 2 year warranty on frame with 2 year electronics. The LCD display operates on a built in rechargeable battery and included AC adapter. The US-180 indicator operates off (3) AAA batteries (not included). The alloy steel load cell has a shock absorbing load cell to protect from impacts, vibrations, and holding it's calibration. Our system comes standard with top shackle and clevis hook. Unit will arrive calibrated (Plug and weigh).
